HOUNSLOW HOSPITAL.

The 53rd Annual Report.

THE Committee regret to report that the Hospital has sustained during the year the loss of two very true friends and workers by the death of the Rev. R. Dixon Box, Chairman of the House Sub-Committee, and Mrs. Oakley, a Lady Collector for many years.

The reports and statements of accounts printed in this Report tell their own tale, and the Committee of Management hope they will be read with appreciation and sympathy. It is most gratifying to find that the subscriptions and donations to the Hospital during the year have been so well maintained.

Owing to the very wet Summer many out-door functions arranged for the benefit of the Hospital were completely ruined. This is not only a great disappointment to the promoters of such events after their strenuous and self-sacrificing labours, but also to the Committee of Management to which it has been a matter of considerable concern. The financial loss to the Hospital must be in the neighbourhood of £600. In spite, however, of this unavoidable loss the total receipts (excluding legacies) show an increase on the previous year.

The chief event during the past year has been the completion of a new Out-patients and X-Ray Department. These invaluable additions to the Hospital were opened by Lady Joynson-Hicks on Wednesday, November 16th. It should be pointed out that Dr. Hair and Mr. Alban Scott have been the prime movers in connection with this installation of a complete and thoroughly up-to-date X-Ray Depart-

ment. To their foresight and generosity the Hospital is much indebted.

The great number of motor accident cases brought to the Hospital, chiefly from the Great West Road, has thrown a heavy strain on the already hard worked, if not overworked, members of the Staff. They have, however, met this additional strain with their usual willingness and good-nature.

The Committee have realised the necessity of continuing the services of the Resident Medical Officer, and have been fortunate in securing Miss Alfreda Baker as House Surgeon since June. During the year, having passed the necessary examination, she became a Fellow of the Royal College of Surgeons. This is a great honour, and the Committee offer her their sincere congratulations.

The cost of each in-patient per week stands at the satisfactory figure of £2 6s. 5d. (see page 10) which speaks very highly for the work of the Matron.

The Committee express their thanks to all subscribers and donors, and especially acknowledge the generous help of the following :

Mr. Alban Scott, our architect, for his voluntary services rendered.

The Hounslow Hospital Demonstration Committee and Horse Show Committee whose strenuous efforts to raise funds for the Hospital were so unfortunately spoiled by the bad weather.

Miss Burrell and the Ladies who collected on Alexandra Day the record sum of £258 19s. 11d. of which £225 was allocated to our own Hospital by the Central Committee.

Mrs. Dumsday, who in an incredibly short space of time raised £130 in order to provide a new and up-to-date operating table.

Dr. Allen and Mr. Noakes for the silver paper collection which although only recently organised has realised £14 13s.

10d., and for fixing two collecting boxes for silver paper on the railings near the Hospital main gates.

Mrs. Newson and all the Overseers and Collectors for their quiet and effective work in collecting subscriptions and donations.

The Hospital Dart Competition which raised over £100 (see Report on page 25).

The Heston and Isleworth Urban District Council for a donation of £100 towards maintenance.

The Heston, Hounslow and Isleworth Masonic Charity for subscribing £75 towards the maintenance of their two endowed cots of the Children's Ward.

The promoters of "Isleworth Day" for a contribution of £62.

Mrs. Shawyer for the money raised by her Doll Competition, £12 14s. 6d.

Mr. R. Depledge and Mr. E. Hendren of the Hounslow Cricket & Sports Club, for the Annual Charity Cricket Match which resulted in the sum of £43 18s. 4d. being handed to the Hospital.

Mr. J. F. Adcock and those who assist him in the box-collections (see page 20), with a grateful acknowledgment of the work done by the various box-holders each week in collecting contributions.

Mr. Budd for his successful work in collecting over £16 from small boxes given out by him to private residents.

Organisers of dances, entertainments, etc.

The Ladies' Linen League under the chairmanship of Mrs. Fenton, which has been responsible in supplying the Hospital with goods to the value of £183 (see page 27).

The Ladies' Working Party under Mrs. Newson for their kind assistance.

Mrs. Newson for organising, and all who contributed goods or money on Pound Day.

Donors of gifts enumerated on page 23.

Mr. Killin for winding and keeping in repair the clocks.

Mr. Cavanna for daily supplies of ice "free of cost."

Messrs. A. Myland and F. Osborne for keeping the wireless installation in a state of efficiency.

The R.A.O.B. Lodges of Hounslow and district for a donation and gift of furniture for the Children's Ward.

The Hospital Football Charity Cup Committee through whose efforts a sum of about £47 has been received (see page 26).

The Hospital Bowls Trophy Committee, £10.

The Chaplain, other Ministers and the Lady Choristers for their services.

Miss Mengel for her useful personal services at the Hospital on Saturday mornings.

The Committee conclude their Report with an expression of thanks to the Honorary Consultants, The Honorary Medical Officers, the Matron, the Dispenser, the Nursing and Domestic Staff, the Lady Almoner (Miss Evans), and also to Mr. Ross in his two offices of Masseur and Secretary, for their devoted, efficient and unselfish services during a very strenuous year.

The Committee specially wish to thank for their past services Mr. Neil Sinclair, F.R.C.S., Hon. Consulting Surgeon, and Mr. A. E. A. Loosely, F.R.C.S., Hon. Ophthalmic Surgeon, who have felt compelled owing to pressure of work to sever their long connection with the Hospital. The Hospital owes a very great deal not only to their skill and ability, but to their willingness to respond to the many calls that were so constantly made upon them.

Mr. B. S. Simmonds, F.R.C.S., Mr. A. L. Abel, F.R.C.S., Dr. G. Thomson, Radiologist, Mr. D. M. Cardell, Ophthalmic Surgeon, have been elected to the Honorary Consulting Staff.

I have audited the above Balance Sheet with the Books, Accounts, and Vouchers relating thereto and I have verified the Cash at Bank and the Investments held in Trust by the Official Trustees of Charitable Funds with the Certificates received therefrom. The Investments on Capital Account are included at their market value at the 31st December, 1926, as certified by the Hon. Treasurer, and the other Investments at cost.

I have not inspected the Deeds of the Hospital and Nurses' Home, which I was informed were held in safe custody at 31st December, 1927, by the Westminster Bank Ltd., Hounslow.

The cost of the X-ray Building and Equipment, although completed before the 31st December, 1927, has not been incorporated in the Balance Sheet, nor have the outstanding liabilities in connection therewith, as the special X-ray Fund has not been closed.

Subject to these remarks, the said Balance Sheet, in my opinion, is a full and fair one and correctly sets forth the position of the Hospital at the date thereof.

ISLEWORTH AID AND WELFARE SOCIETY.

The Isleworth Aid and Welfare Society has had difficult conditions to meet during 1927, being affected by the atrocious weather, and like most kindred institutions has not had quite so good a year as 1926. The "May Day Dances" were a record success, attended by nearly 2,000 people and on that occasion blessed with a beautiful afternoon. It is hoped to repeat that success in 1928. "Pound and Flower Day" and the "Forget-me-not" Day Collections were held as usual. "Isleworth Day" happened to coincide with an afternoon when it was not actually raining, but the attendance was not so good as last year, no doubt owing to the doubtful weather.

Governmental restrictions (removed too late) stopped the usual Street Procession and Collection. All things considered, in collecting nearly £200 for the Hospitals alone, apart from sums collected for other charities organised by the Society, the members have reason to be satisfied. Of the amounts collected, Hounslow Hospital received £62, against £74 10s. last year.

If the weather is favourable and the Government do not impose too many restrictions, it is hoped, by continuous effort, to improve greatly this year on 1927.

HOUNSLOW HOSPITAL DART CHALLENGE CUP COMPETITION.

Those who read our Report of last year will recall that our Committee were "all out" to obtain our century—not in runs, but pounds—as a result of the season's efforts, and I am pleased to say we achieved our object, having realised the excellent sum of £102 2s. 6d., which was duly handed over on behalf of the Hospital.

It is particularly gratifying to be able to announce that with one exception—a donation of £3 3s.—the whole of the proceeds is the outcome of "Darts."

As regards the season now in progress, 43 teams have entered the Competition, against 41 last year.

The handsome Challenge Cup was deservedly won last year by the George IV. Hotel team. To solve the problem—who is the best individual player—Mr. G. Fry has again come to the rescue, and we have launched another Competition, open to individuals within a seven miles radius of Hounslow Hospital. One shilling entrance fee is charged, and a Cup will become the winner's own property. We are hoping that this venture will prove as successful as our "Challenge Cup Competition." With the two, we are looking forward to being able to hand over £150.

In conclusion, my Committee instructs me to thank our many supporters during the three years of the Competition's existence, and sincerely hope they will continue to help such a worthy institution as the Hounslow Hospital.

Yours faithfully,

E. W. BUCKEE, Hon Sec., H.H.D.C.

HOUNSLOW HOSPITAL CHARITY CUP COMPETITION.

The Committee of the above are pleased to report that during the year they have handed to the Hospital £46 18s. 10d., being the Total Gate Receipts of the competition. Included in this amount is a donation of £7 3s. 4d. from Building Enterprises, Ltd., being the result of Inter-Works Matches arranged by Mr. Hall.

Special thanks are due to our energetic Secretary, Mr. A. H. Spink, who introduced the Name Card Competition which enabled the Committee to purchase the Medals required for the competition, also to the Vice-Presidents, who have again contributed towards the running expenses. The total now raised amounts to £289 15s. 3d.

It is with sincere regret that through pressure of business I have been compelled to give up the position of Treasurer, but I am delighted to report that Mr. J. Dowler, who is in close touch with the competing clubs, has kindly agreed to succeed me.

F. W. DAWS.

ALEXANDRA DAY.

The amount of £258 19s. 11d. was collected in Hounslow District (including Feltham), an increase of £35 6s. 7d. on the previous year.

In return, the Central Committee forwarded a grant of £225 to Hounslow Hospital and two amounts of £10 each to the Nursing Associations of the district.

The Hon. Secretary and her workers feel that this is very generous treatment and take this opportunity of thanking all who helped in making the day such a success.

HOUNSLOW HOSPITAL DEMONSTRATION COMMITTEE.

The year 1926 having proved quite the best by enabling us to beat all previous records, the Committee became imbued with the ambition to surpass this and raise, at least, £400 towards the Maintenance Fund.

Unfortunately at our two most important (open-air) functions Pluvius became a most unwelcome guest and "reigned" supreme. It was heart-breaking, particularly so since extra expense had been incurred in order that the functions should be more enjoyable than ever.

Nevertheless, the Committee console themselves that against all adversity, and with the kind assistance of the Tradespeople and R.A.O.B.'s, the amount raised reached £150; and they live to fight another year, and, it is hoped, with much success.

MAINTAINED BY VOLUNTARY CONTRIBUTIONS.

RULES.

1.—The Institution shall be called “The Hounslow Hospital,” and its object shall be to afford Medical and Surgical Treatment to the sick poor of the neighbourhood, either as in-patients or out-patients, and to afford relief in cases of accident or emergency. Private patients may also be received.

2.—Annual subscriptions shall be payable in advance, and shall be deemed to become due on January 1st in each year. All subscribers of 2s. 6d. and upwards during the past financial year shall be entitled to vote at the Annual or any General Meeting.

3.—Annual subscribers shall receive four official letters of recommendation for each guinea subscribed. Annual subscribers of less amount shall receive at the rate of one letter for each 5s. 3d. subscribed. Every donor who contributes £21 or upwards at one time, or within four years, shall be a Governor for life, and shall be entitled to vote at the Annual or any General Meeting, and receive eight letters annually. In the case of collections from Churches and Societies, letters proportionate in number to the amount of the collection shall, unless otherwise specified, be forwarded to the Clergyman or Minister, or other authorised person, who shall be entitled to vote at the Annual or any General Meeting.

4.—A General Meeting of Subscribers (including Life Governors) shall be held annually in the month of February, when the accounts of the previous year, duly audited, together with the Report, shall be submitted, and the Committee for the ensuing year shall then be elected. Such Committee shall consist of 18 elected members and, in addition, one representative member from any authorised society or organisation contributing during the past financial year the sum of £50 or upwards who is nominated by the society or organisation concerned, and approved of by the General Meeting of Subscribers.

Those eligible for election to the Committee shall be as follows:

- (a) Subscribers during the past financial year of 10s. 6d. or upwards.
- (b) Life Governors and Honorary Life Governors.
- (c) Authorised representatives of contributing congregations.

In the event of a vacancy occurring the Committee shall have power to fill the same from the list of General Subscribers, Life Governors, or from the contributing society concerned, as the case may be. The Medical Staff and Treasurer shall be deemed ex-officio members of the Committee. Notice of such Annual Meeting (or any meeting specially called) shall be sent to each Subscriber, Life Governor, Hon. Life Governor, or Representative, at least seven days before the holding thereof.

5.—The Committee shall have power to appoint at their discretion as an Honorary Life Governor any person who has rendered exceptional personal service to the Hospital.

6.—An Honorary Life Governor shall have four official Hospital letters of recommendation per annum, be eligible to vote at the Annual Meeting, and also be eligible to be elected on the General Committee.

7.—The Committee who shall appoint its own officers, shall have control of the Hospital and its funds, shall appoint the Medical Staff and the Matron, and make such other appointments as may by them be deemed necessary or desirable. They shall meet at least once a quarter. Nine members shall constitute a quorum. The Committee may make such regulations and by-laws for the management of the Hospital as they may think fit, and they may delegate any matter to a sub-committee appointed by them.

8.—No pregnant woman (except in extraordinary cases, such as accidents, or where some surgical operation is required), no insane person, no person subject to chronic epilepsy or suffering from any infectious disease, confirmed consumption, or any disease that may be judged incurable, shall be admitted as an in-patient.

9.—No persons, unless Private Patients, can be admitted as in-patients without the official letters of recommendation, except in cases of accident or emergency.

10.—In-patients shall contribute according to their means a weekly sum (the amount of which will be fixed after careful enquiry by the Almoner and the Charges Sub-Committee), and in addition shall provide two official Hospital letters of recommendation each week, or their equivalent in cash.

Children under ten years of age will only require half this number of letters.

11.—No patient shall be retained for treatment beyond three months without the special sanction of the Committee or Charges Sub-Committee.

12.—Out-patients may be treated on such conditions and terms as the Committee may determine.

13.—The diet of the patients shall be in strict accordance with the orders of the Medical Officers; and no article of food or drink shall be permitted for the use of patients without the approval of the Matron.

14.—Patients may be visited at all suitable times by any Minister of Religion they may desire.

15.—The Committee in their discretion may call an Extraordinary General Meeting. Fourteen clear days' notice of such Meeting shall be given, and the object for which it is called shall be stated on the notice. No other business shall be taken at such a Meeting.

16.—No alteration of the Rules of the Hospital shall be made except at a General Meeting, and by a majority of two-thirds of those present and voting, and the purport of any proposed alterations shall be stated on the notices calling the Meeting.
